Father Bob Thames to Visit MBS

Fr. Bob Thames will be with us the weekend of February 14/15 to present the work and need of his mission work and need of his mission in Bolivia. Father Thames is a priest of our Diocese of Fort Worth who has spent most of his years working in the mission areas of South America. We welcome Father Bob Thames as one of our own.

Thank You

On behalf of the youth group, we would like to thank the Parish for your generosity during the Souper Bowl of Caring last weekend. We collected \$361.26 which will be donated to the Fort Worth Catholic Charities for all their work in Tarrant County. So far the Souper Bowl of Caring program has collected over 1.7 million dollars nationally. "Lord, even as we enjoy the Super Bowl football game, help us be mindful of those who are without a bowl of soup to eat"

What Tony learned

When Tony Snow was 17, he watched his mother die of colon cancer. In his early 50s, he learned that he, too, had the disease. Sadly, it was too late to do much about it.

As White House press secretary, Snow sometimes shared with members of the press what he was going through. At one gathering, he told what he'd learned during his ordeal. "You have to learn something that is very hard in the modern era," he said, "and that is you have to give yourself to God, to surrender."

Snow discovered that he could find joy even in sickness. Beyond the pain and worries about his family, he sensed God's telling him that he was more blessed than he realized. God was preparing him for his graduation to the Father's house.

When Snow died, he experienced the promise of Scripture: "Remain faithful until death, and I will give you the crown of life" (Revelation 2:10).

Complaint dissipated

A woman called a newspaper office to complain that her Sunday paper hadn't arrived. Trying to calm her, the man at the office pointed out that the paper hadn't arrived because it was Saturday. After a brief silence, the woman said meekly, "Well, that explains why there was no one in church today."
