## An Unforgettable Date

A woman told her husband, George, that she wanted him to take another woman on a date. "I love you," she said, "but the woman I have in mind loves you, too, and needs to spend some time with you. It's your mother."

Dutifully, George called his mom and made a date. For the special evening, she chose the dress she'd worn to the last anniversary she and her late husband had celebrated. Mother and son enjoyed chatting so much that they missed their movie. Both left feeling joyous and fulfilled.

Sadly, George's mother died only a few days after their date. He was so happy he'd been able to spend that special time with her.

Right before she died, George's mother sent him this note: "Enclosed are two prepaid tickets for you to have dinner where we had such a pleasant evening together. You'll never know what that night meant for me. I love you, Son."
